

ACTION ZONE FALL CLASSES

HOME SCHOOL MORNINGS

ART \$30.00

SEPT 12 - DEC 14 MONDAY/WEDNESDAY

10:00AM - 11:00AM AGES 6-12

Like all other skills, art must be practiced every day. Kids will be asked to work quietly for 10 minutes drawing anything that comes to mind before starting the lesson for the day.

CHESS \$30.00

SEPT 13 - DEC 15 TUESDAY/THURSDAY

10:00AM - 10:50AM AGES 7-10

Chess is more than your average game for fun! Players come together and learn how to win and lose, realize the consequences of their actions, build focus, and develop problem solving skills.

MINECRAFT \$30.00

SEPT 13 - DEC 15 TUESDAY/THURSDAY

11:00AM - NOON AGES 8-12

Minecraft is a great game for kids to learn! The right scenarios help kids develop problem solving skills, improves their ability to work as a team, and boosts their creativity.

P.E. \$30.00

SEPT 12 - DEC 15 11:00AM - NOON

AGES 6-9 | MON/WED AGES 10-13 | TUE/THUR

The Goal of this P.E. class is to continue developing gross and fine motor skills through small sided games, activities, and various sports concepts.

JR LEGO ROBOTICS \$60.00

SEPT 13 - OCT 6 TUESDAY/THURSDAY 4:00PM - 5:00PM AGES 6-8

Students design robots together as a small team of young engineers! Great for children who are hands-on and like working together.
