WALLA WALLA YMCA

## Build Your Legacy for the Next 140 Years

This year, the Walla Walla YMCA is celebrating 140 years of building healthy, confident, and secure families across the Walla Walla Valley. Part of celebrating the past is looking forward to the future and shaping the next 140 years and beyond. That's why we're introducing our brand new partnership with [FreeWill](#). FreeWill is a free, nationally recognized, online platform that allows you to create your will or revocable living trust.

**FREEWILL** 

Creating a will or trust is a way to build your legacy for your loved ones and the Y. It's a powerful way to fund the next generation, ensuring that our local programs can continue. **It is because of you and your support that we make a local difference.**

**[Write your will or revocable living trust with FreeWill today!](#)**

If you have already included a legacy gift Walla Walla YMCA, [please fill out this form](#), as we would love to thank you for your generosity.

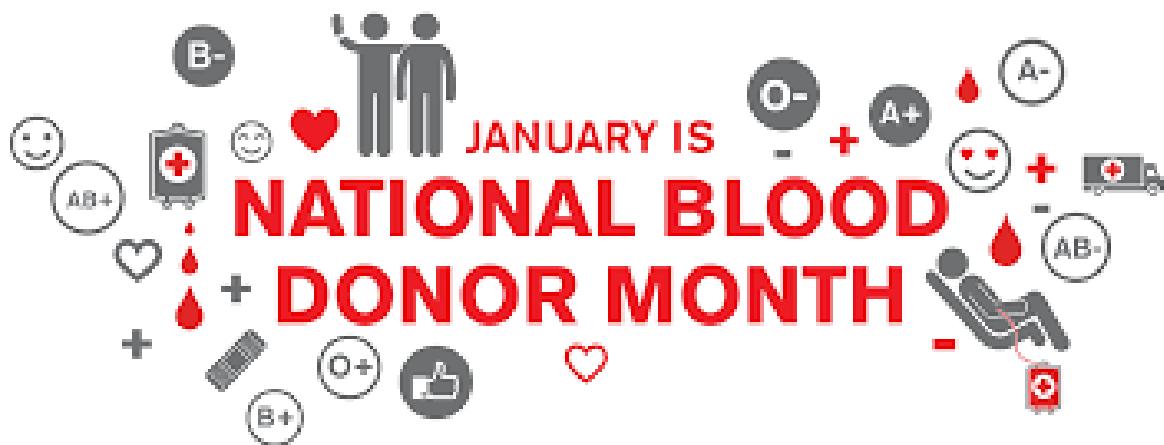

## Medicare Plans and Y Membership

Your active senior membership here at the Y may be covered in part or full by your Medicare Supplement plan. Some plans will only cover what they call standard or core memberships where they consider the Y a premium facility. Each insurance plan determines what they will cover and if they will charge you a fee. This fee is paid to your insurance company, not the Y.

If you have not done so for 2026, please update your plan by calling either **Silver & Fit** (1-877-427-4788 (TTY/TTD 711)). You can also visit their website. Plans that offer Silver & Fit Premium may charge up to \$22/month. If your insurance plan is provided under the **AARP/United Healthcare Renew Active & OnePass** programs, please call (800) 523-5800 for a Free Upgrade for eligible plans in 2026.

Please update your plan today.

## New Year. New Life.

The gift of blood can save up to three lives, providing essential support for surgeries and emergency care during the busy holiday season.

**Sign up** today for the Y's **January 12** Blood Drive, from 11:00 am - 4:00 pm in the Multipurpose Room.

## In the Community

## Local opportunities for family-friendly fun
