Celebrating Your Support of the Y

We're making the Y's 140th anniversary one to remember with a celebration of our members who make our mission possible.

On Monday, September 28, join us for delicious pastries in the morning and sweet treats in the afternoon. You can also opt for a light morning meal from The Mill food truck that will be here from 9:00 AM - 12:00 PM, or a light evening meal from The Mill and La Monarca food trucks from 3:00 - 6:00 PM.

Remember to visit Membership Services for your "meal ticket." Tickets are good for one meal per member, while supplies last.

Enjoy our "Y Then & Now" slideshow, to see how the Y has evolved over 140 years of service. Enjoy some "show and tell" from our programs or time with your fellow members.

Youth and Government

Youth & Government (YAG) is back at the Y, with the first session happening September 22 at 6:00 PM. This program gives middle and high school students the opportunity to learn about and experience government policies firsthand with a goal of understanding how to be changemakers and improve their communities.

Throughout the school year, Walla Walla YAG delegates meet weekly to discuss current issues, write legislation, practice debate, and prepare for a four-day trip to the Washington State Capitol in May, where they'll join more than 400 students from across Washington.

YAG is open to all students in grades 8-12. There is no fee to join. For information contact us at info@wwymca.org

Fall Sports Camps

More youth sports activities are planned this Fall. In these classes, kiddos gain familiarity with the basics of Basketball and Soccer. Both classes are available for ages 3-5.
